

## WHY CHOOSE RPI LUMBER?

### **Superior Durability**

Poly lumber outlasts traditional wood, providing long-lasting structures that can weather the elements.

### **Sustainable Materials**

Our poly lumber is an eco-conscious choice, crafted from recyclable materials and designed to minimize environmental impact while enhancing the longevity of landscaping projects.

### **Environmentally Friendly**

Poly lumber won't leach harmful chemicals into the soil, ensuring the health of the landscape and the environment.

### **Versatile Design**

Enhance your landscape design with a variety of colors and styles that mimic natural wood while being resistant to weathering, insects, and decay.
